Finance & Accounting Expert (m/f/d)

About YAGEO Nexensos

We are the experts for reliable temperature sensors, even at extreme temperatures and in demanding applications. As the global market leader for platinum thin-film technologies, we offer sensor elements and assemblies with the highest quality standards from -200 °C to +1,000 °C. We enable reliable and sustainable applications and thus make an important contribution to key issues of our time, such as clean air, energy efficiency and resource conservation. We support our customers from rapid prototyping to large-scale production and with constantly adapted production capacities in Europe and Asia.

These exciting tasks await you:

- As a "Finance & Accounting Expert (m/f/d)" you will be significantly involved in the preparation of annual, quarterly and monthly financial statements as well as ongoing accounting.
- They carry out payment transactions and assist with liquidity planning.
- You also create the monthly VAT return and the recapitulative statement.
- You are responsible for insurance and credit management.
- You will also be responsible for preparing relevant reports and statistical reports.
- Your job profile will be rounded off by the opportunity to support current projects and gain experience in controlling.

Your Profile:

- Successfully completed commercial training or studies in business administration or a comparable field.
- Relevant professional experience in accounting or cash management, preferably in an industrial company.
- Good command of written and spoken English.
- Proficient in MS Office applications, SAP knowledge an advantage.
- An interest in learning new things and a high degree of initiative.
- Results-oriented way of working and good communication skills.
